HOT TOPICS IN THE INDUSTRY! Roundtable

This interactive session is an opportunity to get together in smaller groups, learn about topics that affect YOUR industry and brainstorm ideas and solutions.

How will it work?

Each table will have a facilitator and will discuss a specific topic. After Round 1, the facilitators will move to a different table (attendees will stay at their table) and you will discuss a different topic. There will be time for each attendee to participate in all topics.

At the end, participants will have the opportunity to share insights with the full group.
